

Meet our Family..... Kids Co. at Adams

Kristen Deskin

Assistant Program Manager

Kristen brings many gifts to Kids Co. She has been working in the field of early childhood education for 7 years now and will finish her Bachelors in Early Childhood Education this coming spring! In her spare time she enjoys spending time outdoors with her husband and son Aidan, who also attends Kids Co!

**Marion Adams-Sai
Preschool Teacher**

Marion's soft voice and nurturing touch makes her a great asset to our preschool classroom. Her passion for nature and the great outdoors inspires the children week to week! Marion is currently working towards the goal of earning her Early Childhood Education degree!

Emma Oberg

Preschool Teacher

After working in in early childhood abroad for many years Emma returns to the states and is excited to be working for Kids Co. She brings experience, education, and a gentle touch which makes her a great addition to our preschool room! We are excited to have her on our team.

Kirsten Nelson

PM Preschool Teacher

Kirsten has been working with children for three years. She has incredible patience and a calming demeanor. She loves seeing the children learn and experience new things for the first time. She brings her loves of animals to the classroom and incorporates nature in her lesson plans. She has a dog named Toby and a cat named Lucy.

Courtney Kapp

Pre-K Teacher

Courtney comes to us with over six years teaching experience combined in the early childhood and the elementary field. Not only does Courtney have the combined years of experience but her creative lesson planning, hands on learning environment, and ability to communicate with parents and teachers makes her an incredible team player.

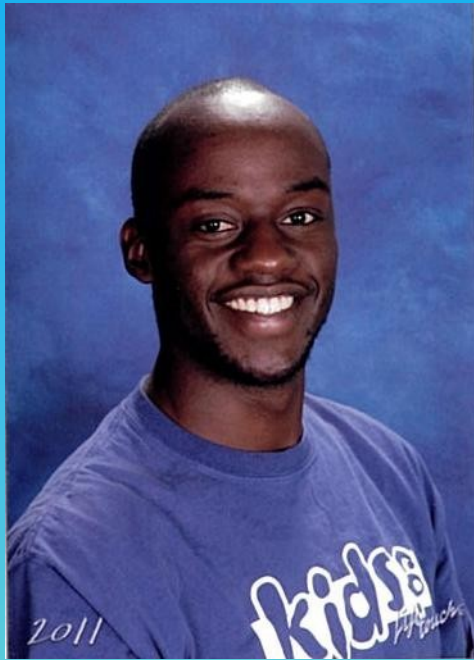

Andreas Haugen

Pre-K Teacher

2-5 School Age Counselor

Andreas has been with us since this past spring. He comes to Kids Co. at Adams from Seattle Parks and Rec. The children in the Pre-k absolutely adore him. His ability to provide hands on learning environments, not only for the pre-k but for the 2nd- 5th grade program, is something that helps fosters the children's learning. Andreas has a passion for art and he inspires the children in both classrooms to showcase their artistic abilities.

Mark Nsimbi

2-5 School Age Counselor

Mark comes to us from the Boys and Girls Club. His experience working with children, families and members of the community makes him a great addition to our school age team. Mark's talent and love for music is one of the many things he shares with the children at Kids Co

Alexandra Esarey

K-1 School Age Counselor

Alex has been working at Kids Co since the spring of 2011. Alex graduated with a bachelor's degree in Social Work and has worked with youth worldwide. Alex has a passion for bringing cultural awareness to her classroom. She believes that every child has the potential for being a great leader. In her free time Alex loves to read, swing dance, zumba, and eat Mexican food!
