

Dear Kids Co,

May, 2009

I can not thank you enough! Had you had been pretty tough for me I struggled with being a single mom and trying to find a permanent job. Throughout my hard-times you have supported me ~~to~~ to matter what.

I was a stay-at-home mom until I sent Kai and Pascal to Kids Co. It was the hardest thing I have ever had to do to send the boys to before and after school care. Due to your love, support and care of my children I have 100% trust in you. My boys have learned to socialize, play sports, cook and make arts + crafts. It is the best thing in the world to come to Kids Co after a hard day's work and see Pascal's latest sculptures or hear how well Kai is doing at Ultimate Frisbee! 😊

I can not single out any one member of staff for being the best... you all are! I love your optimism, your energy and the way you nurture the kids to be the best that they can be. I feel so lucky that my kids have the best child care and that they love coming to Kids Co every day because it has become a second home to them.

Kai and Pascal are thriving at Kids Co and are going to be wonderful children. I feel like we are all in a good place in our lives and we wouldn't have got here without you.

Love and hugs

from KARLA, Kai and Pascal
