

# GAK RECIPE

## **Materials Needed:**

**2 deep bowls**  
**plastic spoon**  
**food coloring (optional)**  
**borax**  
**glue**

- 1. In first bowl:**  
**½ cup water**  
**½ tsp borax**  
**stir until dissolved (add food coloring if wanted)**
- 2. In second bowl:**  
**½ cup water**  
**1 cup glue**  
**mix together until the glue is runny**
- 3. Combine the two bowls. Use your hands to knead the mixture until all of the water is gone.**
- 4. Store in an airtight container (ziplock bags are best).**

**Warning: Gak can ruin clothing, rugs and upholstery. We recommend limiting where the gak can be played with.**
