- Queen Anne South Shore TOPS West Mercer

Dear Parents and Guardians,

Kids Co. periodically receives attention from newspapers, magazines, radio and TV stations; asking to take pictures, do interviews and audio- and video- record portions of our programs. This exposure is of great benefit to Kids Co. as a whole, and brings understanding of the critical need for high-quality child care in our community. Kids Co. engages professional photographers/videographers and we ourselves take pictures of children and activities to use in our newsletters, posters, press releases, flyers, social media (e.g., Facebook), website, etc.

We need a legal guardian’s permission to do these things and ask you to read and respond to the information below. If you choose not to grant permission, this will in no way affect any child’s opportunity to participate in Kids Co. programs or events.

So that we can honor your wishes, mark the box indicating your choice and sign the release. Please return this form to a Kids Co. staff member, or in the tuition payment box.

Please call if you have questions or concerns at (206) 781-8062.

An integral and important part of any quality school age care or preschool program is giving our participants opportunities for out of the center excursions. The types of field trips are specific to each Kids Co. location. Some examples of field trip destinations are: local beaches and parks, sporting events, museums, etc. By completing this form you are consenting to your student participating on all scheduled field trips when your student is enrolled.

Kids Co.'s field trip transportation policy is to utilize public transportation (e.g., metro bus, street cars, yellow buses, sound transit, etc.), or take local walking trips. We may coordinate the use of private vehicles driven by parent volunteers with appropriate seat belts/restraints, valid driver's license and adequate auto insurance when public transportation, or walking, is not practical. Mercer Island Kids Co. sites sometimes utilize Mercer Island School District transportation during our summer program.

Taking a large group of children on a field trip can be challenging. We are very serious about the safety rules and will inform you about problems, if they occur. There are some problems that may result in your child being suspended from field trips. If this should occur, you are responsible for finding alternative care for your child. In the event that your child is asked to stay back from a field trip it is not acceptable to have them join another group even if that group is at the center.

Describe any medical/behavioral condition, including allergies that could impact the student's field trip experience:

None Medical/behavioral Condition – describe: _____

Kids Co. will make every reasonable effort to provide a safe environment during the field trip. As the parent/guardian of the above named student I understand that there are inherent risks associated with participation in these activities including physical injury, and/or other consequences.

I understand that Kids Co. assumes no responsibility or liability for injuries/illnesses of my child. I further understand that I hold Kids Co., its officers, agents, employees, and volunteers harmless from any and all liability or claims which may arise out of my child's participation on field trips.

I acknowledge that Kids Co.'s *Field Trip Behavior Expectations* and any other instructions apply on all field trips. I grant permission for my child to participate in all the field trips on the days when s/he will be attending Kids Co.

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Information System (IIS) or filling it in by hand.

To print with immunization information filled in: Ask if your healthcare provider's office enters immunizations into the WA Immunization Information System (Washington's statewide database). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <https://wa.myir.net>. **If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: waisrecords@doh.wa.gov or 1-866-397-0337.**

To fill out the form by hand:

#1 Print your child's name, birthdate, sex, and sign your name where indicated on page one.

#2 Vaccine information: Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guides below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as **DTaP**, Hepatitis B as **Hep B**, and Polio as **IPV**.

#3 History of Varicella Disease: If your child had chickenpox (varicella) disease and not the vaccine, **a health care provider must verify chickenpox disease to meet school requirements.**

- If your healthcare provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
- If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.

#4 Documentation of Disease Immunity: If your child can show positive immunity by blood test (titer) and has not had the vaccine, have your healthcare provider check the boxes for the appropriate disease in the Documentation of Disease Immunity box, and sign and date the form. **You must provide lab reports with this CIS.**

Kids Co. Bike/Wheels Day Agreement

1. **HELMETS:** All bike riders/wheeled equipment users (skates, rollerblades, scooters, etc.) **MUST** have a helmet and wear it at all times while riding their bikes or using wheeled equipment. Bikes/wheeled equipment privileges will be taken away for the day if you ride without a helmet.
2. **BIKES/WHEELED EQUIPMENT:** Bikes/wheeled equipment is not to be shared unless the equipment belongs to Kids Co. You must bring your own bikes/wheeled equipment, i.e. scooters, rollerblades, etc. in order to ride.
3. **SAFETY:** All bikes/wheeled equipment must be going in the same direction. All kids must follow the chalk, signs, cones, or directions of staff.
4. **SAFETY:** If a staff asks a child to SLOW DOWN, that child must slow down or lose bikes/wheel day privileges for the day.
5. **SAFETY:** Collisions are EVERYONE'S responsibility. Each child is 100% responsible for everyone's safety and their own. If there are multiple collisions bikes/wheels day may be suspended for that day.
6. **STAFF:** KidsCo. Staff has the responsibility to keep everyone safe who is riding bikes/wheeled equipment, or not riding. If there are actions or behaviors that are deemed unsafe by staff, your child may be asked to choose a different activity.
7. **FUN:** We want everyone to have fun, be safe, and be respectful of other bikes/wheeled equipment on the road.

Parent/Guardian(s) understand that Kids Co. is not responsible for any bikes, wheeled equipment, or helmets and other safety equipment brought to the center.

Parent/Guardian(s) understand that not all centers offer bikes/wheeled equipment (many do not have storage for their own bikes) or a wheels day.

By signing below, parent/guardian(s) give permission for their child to participate in wheels activities and agree to review this agreement with their child.
