I grant permission to Kids Co. to provide care for my child.

I understand that Kids Co. assumes no responsibility or liability for injuries/illnesses of my child. I further understand that I hold Kids Co., its officers, agents, employees, and volunteers harmless from any and all liability or claims which may arise out of my child's participation in Kids Co. programs.

I acknowledge that Kids Co.'s philosophy, policies and procedures are communicated and available through the Kids Co. Family Handbook. I acknowledge that I have received a copy of the Family Handbook and that parents/guardians are expected to read and adhere to all Kids Co. policies and procedures. I understand that the Family Handbook is available to me on Kids Co.'s website and anytime by request. I understand Kids Co.'s policies and procedures are subject to change at any time without notice. I understand that failure to follow Kids Co.'s policies and procedures may result in termination of enrollment.

I understand that Kids Co. staffs are Mandated Reporters. "Mandated reporters" are persons or groups of persons who have frequent contact with children and families and are required by Washington's State law to report suspected cases of child abuse and neglect to CPS or to the appropriate law enforcement agency (RCW 26.44.030).

In an effort to support the healthy development and academic achievement of my child, I grant permission to Kids Co. staff to openly communicate with the appropriate individuals, i.e. teacher, counselor, principals, and staff, etc., at my child's school. I agree to complete a school district annual FERPA form in order help Kids Co. staff be informed of my child's academic progress and improve my child's success at school. I understand that staff may share information with the school regarding my child's enrollment at Kids Co. I acknowledge and understand that I may revoke my consent in writing to the school district and program manager, at any time.

I grant permission to Kids Co. to contact any individuals listed in this form (i.e., previous caregivers, physician, therapist, etc.) for additional relevant information regarding my child. I understand that I will be notified, in advance, of anyone being contacted regarding my child.

I grant permission for my child to use all of the play equipment and participate in all of the activities of the center.

I grant permission for my child to be included in evaluations and promotional materials connected with the child care program.

Kids Co. is not responsible for anything that may happen as a result of a lack of and/or false information given by parent(s) or guardian(s) at the time of enrollment. All of the information provided is true and correct to the best of my knowledge.

This contract is effective for the duration of my child's enrollment in Kids Co. Changes to my child's schedule or complete withdrawal from the program are subject to the policies outlined in the **Family Handbook** and the **Tuition Agreement.** 

I understand that failure to follow Kids Co. policies and procedures may result in termination of enrollment.

# Kids Co. Bike/Wheels Day Agreement

- 1. **HELMETS:** All bike riders/wheeled equipment users (skates, rollerblades, scooters, etc.) MUST have a helmet and wear it at all times while riding their bikes or using wheeled equipment. Bikes/wheeled equipment privileges will be taken away for the day if you ride without a helmet.
- 2. **BIKES/WHEELED EQUIPMENT:** Bikes/wheeled equipment is not to be shared unless the equipment belongs to Kids Co. You must bring your own bikes/wheeled equipment, i.e. scooters, rollerblades, etc. in order to ride.
- 3. **SAFETY:** All bikes/wheeled equipment must be going in the same direction. All kids must follow the chalk, signs, cones, or directions of staff.
- 4. **SAFETY:** If a staff asks a child to SLOW DOWN, that child must slow down or lose bikes/wheel day privileges for the day.
- 5. **SAFETY:** Collisions are EVERYONE'S responsibility. Each child is 100% responsible for everyone's safety and their own. If there are multiple collisions bikes/wheels day may be suspended for that day.
- 6. **STAFF:** KidsCo. Staff has the responsibility to keep everyone safe who is riding bikes/wheeled equipment, or not riding. If there are actions or behaviors that are deemed unsafe by staff, your child may be asked to choose a different activity.
- 7. **FUN:** We want everyone to have fun, be safe, and be respectful of other bikes/wheeled equipment on the road.

Parent/Guardian(s) understand that Kids Co. is not responsible for any bikes, wheeled equipment, or helmets and other safety equipment brought to the center. Parent/Guardian(s) understand that not all centers offer bikes/wheeled equipment (many do not have storage for their own bikes) or a wheels day.

By signing below, parent/guardian(s) give permission for their child to participate in wheels activities and agree to review this agreement with their child.

Instructions for completing the Certificate of Immunization Status (CIS): printing it from the Immunization Information System (IIS) or filling it in by hand.

To print with immunization information filled in: Ask if your healthcare provider's office enters immunizations into the WA Immunization Information System (Washington's statewide database). If they do, ask them to print the CIS from the IIS and your child's immunization information will fill in automatically. You can also print a CIS at home by signing up and logging into MyIR at <a href="https://wa.myir.net">https://wa.myir.net</a>. If your provider doesn't use the IIS, email or call the Department of Health to get a copy of your child's CIS: <a href="waiisrecords@doh.wa.gov">waiisrecords@doh.wa.gov</a> or 1-866-397-0337.

#### To fill out the form by hand:

- #1 Print your child's name, birthdate, sex, and sign your name where indicated on page one.
- **#2 Vaccine information:** Write the date of each vaccine dose received in the date columns (as MM/DD/YY). If your child receives a combination vaccine (one shot that protects against several diseases), use the Reference Guide below to record each vaccine correctly. For example, record Pediarix under Diphtheria, Tetanus, Pertussis as **DTaP**, Hepatitis B as **Hep B**, and Polio as **IPV**.
- #3 History of Varicella Disease: If your child had chickenpox (varicella) disease and not the vaccine, a health care provider must verify chickenpox disease to meet school requirements.
  - ☐ If your healthcare provider can verify that your child had chickenpox, ask your provider to check the box in the Documentation of Disease Immunity section and sign the form.
  - ☐ If school staff access the IIS and see verification that your child had chickenpox, they will check the box under Varicella in the vaccines section.
- **#4 Documentation of Disease Immunity**: If your child can show positive immunity by blood test (titer) and has not had the vaccine, have your healthcare provider check the boxes for the appropriate disease in the Documentation of Disease Immunity box, and sign and date the form. **You must provide lab reports with this CIS**.
