Parents will be notified of the trip in advance with the time of departure and arrival back to the center. This information will be posted on the door of the center. Parents will be allowed to pick up their child from a local walking trip location provided they have picked up their child before (staff will recognize you), notified the program manager in advance, and have signed out their child at the center in the sign-in/out book prior to pick up.

Please sign if you would like your child to use sunscreen while at Kids Co. We will provide Sunscreen SPF 45 or higher. Student Name: \_\_\_\_\_

An integral and important part of any quality school age care or preschool program is giving our participants opportunities for out of the center excursions. The types of field trips are specific to each Kids Co. location. Some examples of field trip destinations are: local beaches and parks, sporting events, museums, etc. By completing this form you are consenting to your student participating on all scheduled field trips when your student is enrolled.

Kids Co.'s field trip transportation policy is to utilize public transportation (e.g., metro bus, street cars, yellow buses, sound transit, etc.), or take local walking trips. We may coordinate the use of private vehicles driven by parent volunteers with appropriate seat belts/restraints, valid driver's license and adequate auto insurance when public transportation, or walking, is not practical. Mercer Island Kids Co. sites sometimes utilize Mercer Island School District transportation during our summer program.

Taking a large group of children on a field trip can be challenging. We are very serious about the safety rules and will inform you about problems, if they occur. There are some problems that may result in your child being suspended from field trips. If this should occur, you are responsible for finding alternative care for your child. In the event that your child is asked to stay back from a field trip it is not acceptable to have them join another group even if that group is at the center.

Describe any medical/behavioral condition, including allergies that could impact the student's field trip experience:

None     Medical/behavioral Condition – describe: \_\_\_\_\_

Kids Co. will make every reasonable effort to provide a safe environment during the field trip. As the parent/guardian of the above named student I understand that there are inherent risks associated with participation in these activities including physical injury, and/or other consequences.

I understand that Kids Co. assumes no responsibility or liability for injuries/illnesses of my child. I further understand that I hold Kids Co., its officers, agents, employees, and volunteers harmless from any and all liability or claims which may arise out of my child's participation on field trips.

### Kids Co. Bike/Wheels Day Agreement

1. **HELMETS:** All bike riders/wheeled equipment users (skates, rollerblades, scooters, etc.) **MUST** have a helmet and wear it at all times while riding their bikes or using wheeled equipment. Bikes/wheeled equipment privileges will be taken away for the day if you ride without a helmet.
2. **BIKES/WHEELED EQUIPMENT:** Bikes/wheeled equipment is not to be shared unless the equipment belongs to Kids Co. You must bring your own bikes/wheeled equipment, i.e. scooters, rollerblades, etc. in order to ride.
3. **SAFETY:** All bikes/wheeled equipment must be going in the same direction. All kids must follow the chalk, signs, cones, or directions of staff.
4. **SAFETY:** If a staff asks a child to **SLOW DOWN**, that child must slow down or lose bikes/wheel day privileges for the day.
5. **SAFETY:** Collisions are **EVERYONE'S** responsibility. Each child is 100% responsible for everyone's safety and their own. If there are multiple collisions bikes/wheels day may be suspended for that day.
6. **STAFF:** KidsCo. Staff has the responsibility to keep everyone safe who is riding bikes/wheeled equipment, or not riding. If there are actions or behaviors that are deemed unsafe by staff, your child may be asked to choose a different activity.
7. **FUN:** We want everyone to have fun, be safe, and be respectful of other bikes/wheeled equipment on the road.

Parent/Guardian(s) understand that Kids Co. is not responsible for any bikes, wheeled equipment, or helmets and other safety equipment brought to the center.

Parent/Guardian(s) understand that not all centers offer bikes/wheeled equipment (many do not have storage for their own bikes) or a wheels day.

By signing below, parent/guardian(s) give permission for their child to participate in wheels activities and agree to review this agreement with their child.
