

Kids Co. Bike/Wheels Day Agreement

1. **HELMETS:** All bike riders/wheeled equipment users (skates, rollerblades, scooters, etc.) **MUST** have a helmet and wear it at all times while riding their bikes or using wheeled equipment. Bikes/wheeled equipment privileges will be taken away for the day if you ride without a helmet.
2. **BIKES/WHEELED EQUIPMENT:** Bikes/wheeled equipment is not to be shared unless the equipment belongs to Kids Co. You must bring your own bikes/wheeled equipment, i.e. scooters, rollerblades, etc. in order to ride.
3. **SAFETY:** All bikes/wheeled equipment must be going in the same direction. All kids must follow the chalk, signs, cones, or directions of staff.
4. **SAFETY:** If a staff asks a child to **SLOW DOWN**, that child must slow down or lose bikes/wheel day privileges for the day.
5. **SAFETY:** Collisions are **EVERYONE'S** responsibility. Each child is 100% responsible for everyone's safety and their own. If there are multiple collisions bikes/wheels day may be suspended for that day.
6. **STAFF:** KidsCo. Staff has the responsibility to keep everyone safe who is riding bikes/wheeled equipment, or not riding. If there are actions or behaviors that are deemed unsafe by staff, your child may be asked to choose a different activity.
7. **FUN:** We want everyone to have fun, be safe, and be respectful of other bikes/wheeled equipment on the road.

Parent/Guardian(s) understand that Kids Co. is not responsible for any bikes, wheeled equipment, or helmets and other safety equipment brought to the center.

Parent/Guardian(s) understand that not all centers offer bikes/wheeled equipment (many do not have storage for their own bikes) or a wheels day.

By signing below, parent/guardian(s) give permission for their child to participate in wheels activities and agree to review this agreement with their child.
