KIDS CO. AT QUEEN ANNE WEEKLY CAMP THEMES

KID-LYMPICS - Join us as we prepare for the Summer Olympics 2021! Learn and play fun games and sports from around the world. We will even invent a game or two of our own. Join us and maybe you will take home the gold!

★ No Camp 7/5

7/6 - 7/9

THE GREAT OUTDOORS - Take the road less traveled and find yourself exploring the nature around you. We will survey our local ecosystems and learn to identify the various bugs, trees, plants and other animal creatures we discover. We'll utilize natural elements for various projects and learn what makes being outside great!

7/12-7/16

TIME WARP - We will be winding our way through the 50s, 60s, 70s, and 80s with fun camp activities! Music, dance, groovy art and much more. Kids will hear stories and play games like kids did way back when. Join in a costume contest every day and come in retro style. It'll be dy-no-mite!

7/19-7/23

KIDS GOT TALENT! - Let your creative juices flow and that inner performer shine! Join us for Kids Co. talent week. Have your moment in the spotlight with activities like dance-off challenges, improv skits and a Kids Co. Talent Show!

7/26-7/30

CREATIVE CAMPERS - This week is all about the arts. Campers will dabble in paint, build with clay, sketch or draw, there are so many ways to be creative. Let's not forget music, dance, drama, or photography – everyone will have a chance to explore their creativity.

8/2-8/6

LET'S GET MESSY! - Ooey, Gooley, Weird, and Wacky! Come ready to get messy as we make goop, gak, glop, and other icky, sticky and sometimes smelly creations.

8/9-8/13

KIDS CO. LABORATORY - All about the wonderful world of Science! Each day we'll hypothesize, test and learn about science through hands-on activities. From chemistry to robots and more, the week is about learning something fun and new, and putting your curiosity into action.

8/16-8/20

WORLD EXPLORERS - Grab your travel gear, we are headed out to explore the globe. Join us as we make stops round the world investigating wild jungles, adventuring up the tallest mountains, and making our way through the biggest cities—all without leaving Seattle! We can't wait to learn about the world with all of you!
