### **THERE IS NO THEME**

You heard us right, a week with no theme! Campers will have the freedom to choose their own activities, discover planned surprises, and create a week of camp with friends in real time. Come prepared for fun and tons of possibilities since kids get to choose what happens each day.

Week 2\* (June 29-July 2; *no camp July 3*)

### **PAPER CRAFTS**

Explore the endless possibilities of Paper! Whether it's crafting or constructing, writing, or folding, one week simply isn't enough to explore all the exciting activities we can do with paper! Campers will be immersed in a world of seemingly limitless creative opportunities. We're confident that there are even more ideas than we can imagine. But don't worry, we have multiple locations if one week of paper crafts isn't enough for your creative camper!

Week 3 (July 7-10, *no camp July 6*)

### **GAME CREATORS**

The best part about learning and playing games is almost anything can become a **game**! This week, campers will explore game design, craft their own unique games, and enjoy classic games you know and love. A week that promises something for everyone: Whether you enjoy playing board games, developing new and original games, or engaging in more physical activities, prepare to unleash your creativity and have a blast!

Week 4 (July 13-17)

### **FIBER ARTS CAMP**

Fiber Art Camp: A Creative Adventure! Campers will explore and create various textile art projects. They will learn to weave, finger knit, paint with yarn, and maybe even craft their own stuffy! This camp is perfect for those who adore all things soft and squishy while looking to enhance their fine motor skills.

Week 5 (July 20-24)

**PUPPETS, MASKS & COSTUMES**

Unleash your creativity with Puppets, Masks, and Costumes! Get ready for a week where campers' imaginations can truly come to life! Want to stage a play? Fantastic! Come create costumes! Interested in transforming your favorite book or movie into a puppet show? (Who wouldn't want to see *K-Pop Demon Hunters* or *Harry Potter* come to life as puppets?!) Go for it! We can't wait to see what inspired ideas campers come up with!

Week 6 (July 27-31)

**WATER BLAST & SPLASH**

Get ready for a splashing week of water fun! We're diving in with a splash and a week filled to the brim with water activities. So be ready to get wet! From wacky water games to exploring aquatic life and their environments, we're unleashing our creativity through water. We'll be having a blast while staying cool!

Week 7\* (August 3-6; ***no camp August 7***)

**YOUNG FOODIES WEEK**

A week of foodie delights! We hope you come to camp ready to learn, cook, and eat! Campers will discover dishes from a variety of cultures, explore the origins of different foods, and make a range of delicious treats to share and enjoy. It will be an adventurous week filled with tasty bites, all crafted by the campers themselves!

Week 8 (August 10-14)

**SCI-FI & FANTASY**

What will the future look like? What about life on earth, distant planets or in other worlds? Or even at Kids Co. summer camp? This week campers will unleash their creativity through imagination. They will design new worlds, construct mythical creatures and impenetrable castles, and so much more. Join us and make your ideas come to life!

Week 9 (August 17-21)

**BUILDERS OF THE FUTURE**

Have you ever dreamed of creating and designing your own town? Or city? What about an entire country? Or perhaps you envision creating something entirely new. This week the future and how we live are in your hands! Campers get to explore the fundamentals of construction and design. Starting with a single structure, campers will collectively share their ideas, build, and create a new future together. So, put on your thinking caps, bring your designs, and prepare to join us on this exciting journey!
