- No credit/refunds for missed or closure days including, but not limited to: sick days, program closures due to weather, health, facility, or other required closures, family vacations, etc.

Week 1* (June 24-26; *no camp June 22-23*)

LOW TECH FUN

A week where we get to do what we do best- have fun *without* screens! While we appreciate technology, we also cherish the nostalgia of simpler times, where we can concentrate on the present, deepen our curiosity with cool experiments, tap into our creative sides through hands-on art, and foster community with fun games. Join us as we explore our surroundings and get back to basics. But don't fret grown-ups, you'll still need to check your camper in and out using our tablet!

Week 2* (June 29-July 2; *no camp July 3*)

MUSIC MAKERS

Let's come together to listen to and create music! Campers will explore beats and rhythm while experimenting with various instruments. Try your hand at DIY instrument-making, create art inspired by the music, join the dance party, and so much more. This whole week is a vibe, don't miss it!

Week 3 (July 7-10, *no camp July 6*)

CHALLENGE WEEK

Get ready for a week that will test both your mind and body! Campers will test individual and team skills, tackle new, fun, and quirky challenges, track their progress, and so much more. Since challenges vary for each camper, we've designed a week that accommodates everyone!

Week 4 (July 13-17)

GROWING GARDENERS

Do you like digging in the dirt? Have you ever been curious about how a tiny seed transforms into a beautiful flower or food? Do you love crafting enchanted spaces where you can observe nature's wonders? If so, this week is perfect for you! During our Growing Gardeners Week, campers will explore: garden creation, building habitats for pollinators, discovering local plant species, and so much more! This week is blooming with fun, messy, and possibly delicious activities to enjoy together!

Week 5 (July 20-24)

PAPER CRAFTS

Explore the endless possibilities of Paper! Whether it's crafting or constructing, writing, or folding, one week simply isn't enough to explore all the exciting activities we can do with paper! Campers will be immersed in a world of seemingly limitless creative opportunities. We're confident that there are even more ideas than we can imagine. But don't worry, we have multiple locations if one week of paper crafts isn't enough for your creative camper!

Week 6 (July 27-31)

THERE IS NO THEME

You heard us right, a week with no theme! Campers will have the freedom to choose their own activities, discover planned surprises, and create a week of camp with friends in real time. Come prepared for fun and tons of possibilities since kids get to choose what happens each day.

Week 7* (August 3-6; *no camp August 7*)

FIBER ARTS CAMP

Fiber Art Camp: A Creative Adventure! Campers will explore and create various textile art projects. They will learn to weave, finger knit, paint with yarn, and maybe even craft their own stuffy! This camp is perfect for those who adore all things soft and squishy while looking to enhance their fine motor skills.

Week 8 (August 10-14)

SCI-FI & FANTASY

What will the future look like? What about life on earth, distant planets or in other worlds? Or even at Kids Co. summer camp? This week campers will unleash their creativity through imagination. They will design new worlds, construct mythical creatures and impenetrable castles, and so much more. Join us and make your ideas come to life!

Week 9 (August 17-21)

PUPPETS, MASKS & COSTUMES

Unleash your creativity with Puppets, Masks, and Costumes! Get ready for a week where campers' imaginations can truly come to life! Want to stage a play? Fantastic! Come create costumes! Interested in transforming your favorite book or movie into a puppet show? (Who wouldn't want to see *K-Pop Demon Hunters* or *Harry Potter* come to life as puppets?!) Go for it! We can't wait to see what inspired ideas campers come up with!

Week 10* (August 24-26)

No Week 10 Summer Camp at Queen Anne
